DAY 8

MEALS: Breakfast / Lunch / Dinner

LA CASONA AT MATETIC VINEYARDS - CASABLANCA, CHILE

This morning after breakfast, you will be met for your full day private Valparaiso and Casablanca Valley tour, including lunch.

TOUR DESCRIPTION: Valparaiso has always been original; the precise year of its foundation is unclear, although it is considered the oldest city in Chile dating back some 500 years. As a port, this was the point of entry of thousands of immigrants and adventurers, the very people who made the city what it is today; a labyrinth of stairs, narrow streets and winding lanes, and a few avenues that creep up and down its 43 hills, interrupted by the occasional viewing points that look out onto the ocean. Poets, artists, sculptors, and intellectuals have all made their mark on the city, creating the cultural mix that is Valparaiso. Pablo Neruda built his most whimsical house - La Sebastiana - on Cerro Bellavista hill, the same place where one finds today an open-air museum of murals and stylish graffiti. The historic center of the city was declared a World Heritage Site by UNESCO, an invaluable recognition that gave the city the necessary impulse in the conservation of its historical and cultural sites, its architecture, and its traditions. Valparaiso is also home to Chile's Congress, numerous universities, and the famous funicular railways.

After a panoramic tour through Valparaiso with a special focus on its emblematic hills, you will return to the Casablanca Valley where you will visit two of the best vineyards and enjoy lunch. This valley has earned a worldwide reputation as one of the best places on Earth for white wines.

After the tour, you will return to the hotel.
